

# Hawaii Ham Hotsheet

Useful info for new Hawaii hams

revised 2011

---

**JOE SPERONI's web page:** Joe AH0A has a web page with useful ham info at <http://ah0a.org/AH0A.html>. He has Morse Code training software available for free download. Further info, contact *joe @ speroni.com*.

## HAWAII HAM RADIO LICENSE EXAMINATIONS:

Examinations are held regularly by a local ARRL Volunteer Examiner group. Further info, contact Ray Moody *moody @ hawaii.edu*.

**Hawaii VHF/UHF repeater frequencies:** Our Frequency Coordinator is Rick Ching KH7O *kh7o @ arrl.net* and there is a complete listing at <http://www.hawaiirepeaters.net/>.

**Ham SWAP'N'SHOP** broadcast every Tuesday night 8 PM, 146.88 Mhz (Diamond Head repeater). Non-commercial effort by KH6CDO to help buy, sell and trade ham radio items. Highly recommended. Further info, contact Frank *drfyong @ hawaiiintel.net* or 988-7474. Also listed on EARC website.

**E-mail reflectors (list-servs)** that allow Hawaii hams to post any ham radio announcements which then are forwarded by e-mail to all who are "subscribed." Both are free and very useful in finding out what is going on in Hawaii ham radio. For specific info, contact Ron or Jim.

## HIHAM reflector:

<http://mailman.qth.net/mailman/listinfo/hiham>. For info or difficulty getting subscribed, contact Ron Hashiro (AH6RH) *rhashiro @ hawaiiintel.net*.

## HAMRADIOHAWAII reflector:

Send email to: [hamradiohawaii-subscribe@yahoogroups.com](mailto:hamradiohawaii-subscribe@yahoogroups.com). For info, contact Jim Yuen (WH6GS) *wh6gs @ arrl.net*.

## KOOLAU AMATEUR RADIO CLUB (KARC)

Web page: <http://www.karc.net/>

Informal and open general interest club meets monthly on 2nd Saturday morning. New/prospective hams/visitors always welcome. Club goes out on Field Day each year. Meeting location and other club info on web page.. For more info, contact Warren *kh6wm @ arrl.net* or 487-1863.

## EMERGENCY AMATEUR RADIO CLUB (EARC)

Web page: <http://www.earchi.org/>

Club meets monthly on 3rd Tuesday. New/prospective hams/visitors always welcome. Club concentrates on repeater and emergency functions and operates/maintains numerous repeaters on Oahu. Further info on web page or contact Kevin Bogan *ah6qo @ arrl.net*.
